In re Application of :  
Hageman, et al. :  
Application No. 10/015,256 : ON PETITION  
Filed: December 13, 2001 :  
Attorney Docket No. YOR9-2001-0721- :  
US1 :

This is a decision on the petition to withdraw the holding of abandonment under 37 CFR 1.181, filed March 6, 2009

The petition under 37 CFR 1.181 is **DISMISSED**.

Any request for reconsideration of this decision must be submitted within **TWO (2) MONTHS** from the mail date of this decision. The reconsideration request should include a cover letter entitled "Renewed Petition under 37 CFR 1.181". Extensions of time under 37 CFR 1.136(a) are permitted. No fee is required for a renewed petition.

The above-identified application became abandoned for failure to timely pay the issue fee in response to the Notice of Allowance mailed November 4, 2008. This Notice set a statutory period for reply of three (3) months. No issue fee having been received, the application became abandoned on February 5, 2009. The Office mailed a Notice of Abandonment on February 27, 2009.

To establish non-receipt of an Office action, a petitioner:

must state that the Office action was not received at the correspondence address of record, and that a search of the practitioner's record(s), including any file jacket or the equivalent, and the application contents, indicates that the Office action was not received. A copy of the record(s) used by the practitioner where the non-received Office action would have been entered had it been received is required.<sup>1</sup>

In addition, the Manual of Patent Examining Procedure § 711.03(c) also states:

A copy of the practitioner's record(s) required to show non-receipt of the Office action should include the master docket for the firm. That is, if a three month period for reply was set in the non-received Office action, a copy of the master docket report showing all replies docketed for a date three months from the mail date of the non-received Office action must be submitted as documentary proof of nonreceipt of the Office action. If no such master docket exists, the practitioner should so state and provide other evidence such as, but not limited to, the following: the application file jacket; incoming mail log; calendar; reminder system; or the individual docket record for the application in question.

Petitioner has not submitted a copy of a master docket record showing all his replies docketed for a due date of February 4, 2009, nor has petitioner stated that such a record does not exist. Rather, petitioner has only submitted a copy of the docket records for the instant application, together with a copy of an incoming mail log. If no such master docket report exists, petitioner should so state on renewed petition.

While the showing of record is not presently sufficient to withdraw the holding of abandonment, petitioner is not precluded from obtaining relief by filing a petition pursuant to 37 CFR 1.137(b) on the basis of unintentional delay. A grantable petition pursuant to 37 CFR 1.137(b) must be accompanied by (1) The reply required to the outstanding Office action or notice, unless previously filed; (2) The petition fee as set forth in 37 CFR 1.17(m); and (3) A statement that the entire delay in filing

the required reply from the due date for the reply until the filing of a grantable petition pursuant to this paragraph was unintentional.
